

KATUN®

Katun offers several brands to meet a wide variety of customer needs, including Katun® Performance™, Katun® Business Color, Katun® Access™ brands.

Katun® Performance™ is our premier brand, encompassing our highest-quality products that provide OEM-equivalent life/yields, excellent image quality, and outstanding color reproduction. Product performance is comparable to that of OEM products, but at significant cost savings – thereby delivering your best overall value!

Katun® Business Color products provide OEM-equivalent life/yields, consistent image quality and color reproduction that meets or exceeds end-user expectations in business color applications. These products combine substantial cost savings, strong product performance and excellent value.

The Katun® Access™ brand offers low pricing and consistent life/yields. Solid image quality – similar to that of products offered by other aftermarket companies – enables price-sensitive buyers to purchase imaging supplies that provide dependable performance.

Katun Business Ink™ cartridges for inkjet business applications have been remanufactured using high-quality components. These products have been developed and rigorously tested to provide OEM-equivalent image quality and yields, along with outstanding color reproduction and overall performance, at significant cost savings vs. purchasing OEM inkjet cartridges.

Catalog information

Katun offers two types of laser cartridges:

1. New-build Cartridge
2. Remanufactured Cartridge

Actual yield may vary depending on machine applications, machine condition, and usage conditions.

This document does not constitute an agreement for a price or sale. Prices shown are subject to change without notice. Contact your Katun sales representative for the current pricing information.

In order to place an order or to verify our products' availability, please visit our online catalogue at this address www.katun.com/eu.

Katun is a member of the European Toner & Inkjet Remanufacturers' Association (ETIRA), which promotes the culture of remanufacturing printer consumables according to the principles of eco-sustainability and respect for the intellectual property
