

Katun® Performance™ Color Toner for use in

Various Brother DCP and HL-series

Printers

Katun PN: See Page 2 • OEM PN: See Page 2

These Katun color toners provide outstanding print quality and performance!

Katun® introduces color printer toners to our growing line of high-quality monochrome and color toners for use in Brother printers and MFPs. These remanufactured Katun Performance™ color toners provide outstanding performance, remarkable print quality and significant cost savings.

Benefits:

◆ Choose Katun Toner When You Need Dependable Performance

You can trust Katun – these new color toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & color reproduction
- Yields
- Fusing performance

◆ Consistent Quality

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. These toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ Reduce Your Supplies Costs

This toner offers OEM-equivalent performance at a significant cost savings, which means you can improve your profitability on applications still being sold by Brother, without sacrificing quality or customer satisfaction..

◆ A Growing Product Offering for Brother Applications

Katun offers a growing line of toner cartridges for use in many of the most popular Brother monochrome and color printers and multifunctional equipment, enabling you to meet the printing supplies needs of all your customers.
